HI-Y

Hi-Y, the oldest organization at KHS, is a club whose purpose is to show its members how government operates by actually participating in a Model Legislature. This is made possible by raising money to send as many boys as possible to the annual Hi-Y Model Legislature held in Topeka. Cutting firewood and doing many other jobs were our money making projects. In joint cooperation with Y-Teen, Hi-Y constructed a float for the Christmas Parade.

FELLOWSHIP OF CHRISTIAN ATHLETICS

The Fellowship of Christian Athletes strives to promote a better fellowship of athletes in all types of athletics. One of our basic goals is to send as many members as possible to the national conference in Estes Park, Colorado. The money needed to do this is earned by the F. C. A. by members who work in concession stands and sell bumper stickers and penants. Every month we try to have an evening meeting, where we discuss scripture and also have a general discussion period. F. C. A. has sponsored school assemblies where some speakers we heard at camp have come and shared their views and thoughts. We have a hamburger feed in the spring of every year, where we all participate in volleyball, basketball, football, baseball and whatever else is brought up. Our sponsors this year are Mr. Mengarelli, Mr. Ward, and Mr. Strong.

K-CLUB

To become a member of K-Club one must earn a varsity letter in one of the sports offered at K. H. S.

This past year K-Club attended the K. U. - O. S. U. football game at Lawrence. A trip is planned to attend a W. S. U. basketball game in the near future. With girls getting varsity letters in sports now, the hope for girls becoming members is now being considered. This year's sponsors are Mr. Parsons and Mr. Shanelec.

STUDENT ACTION FOR EDUCATION

This year's activities started in early October when several members attended a Workshop in Topeka, and gathered ideas about what FTA is about. The same month that FTA sponsored a picnic for all interested members, they decided to change the name to SAE. The change enabled the club to focus their activities on more general educational areas. With the assistance of Mr. Clark, we sponsored a surprise Breakfast for the teachers and faculty members during National Education Week. We lit a bright light for education at our Christmas Party. All of this was made possible with the assistance of our sponsors, Mrs. Phyllis Brosemer and Mrs. Wendy Estes.

DEBATE

The topic for the season of 1973-74: RESOLVED: THE FEDERAL GOVERNMENT SHOULD PROVIDE A PROGRAM TO EMPLOY ALL EMPLOYABLE UNITED STATES CITIZENS LIVING IN POVERTY.This year's KHS debators, while few in number, proved persistence pays off as they won trophies in both novice and experienced divisions. The experienced team of Nancy Dressler and Jon Unruh captured the first place trophy of the Pratt Open Cross-Examination Debate, while two of the five novices, Julie Spainhour and Mike McAdam brought home the second place trophy in the novice division of the Second Annual Rotary Debate at Coffeyville. Other open tournaments attended were Newton, Wichita East, Coffeyville, El Dorado, Goddard, and Garden City. Novice tournaments participated in were Chapparal and Valley Center. The KHS debators also hosted a dual with Chapparal and attended a dual at Stafford. Regionals this year were held at Buhler.

EAGLE BAND

The Kingman Eagle Band directed by R. E. Craig and assisted by William Cooper, lived up to its usual standard of excellence this fall as they played the half time show at all home football games. A special honor the band enjoyed this year was an invitation to play at the K. U. - Oklahoma State football game where they played the pre-game show. After the football season was over, the band put on a Winter concert, and later on a Pop Concert in the spring.
